WHY HOMEOWNERS CHOOSE

Easy Bath
BY

BIG WOODS CONSTRUCTION

At Big Woods Construction, we believe remodeling your bathroom should feel exciting, not overwhelming. That's why we've built a process that removes the stress, speeds up decision-making, and delivers high-quality results for you every time.

We simplify the experience by offering **curated design selections** created by our in-house team. No endless options, no design fatigue...just beautiful, cohesive choices that work together and work for your home. This means you spend less time deciding, and more time looking forward to the finished space.

Our **transparent pricing** gives you fast, accurate estimates so you can make confident decisions without delays or surprises. Whether you choose a streamlined package or a fully custom project, we'll align your selections to your comfort zone.

While every project may vary in scope or finishes, one thing never changes: the **exceptional craftsmanship and quality materials** we bring to every Big Woods remodel. You'll get the same trusted team, attention to detail, and professional care no matter which tier you choose.

The true value we offer? A bathroom remodel that's **thoughtfully designed, beautifully built, and delivered faster**—so you can get back to enjoying your home, not living through construction.

CHOOSE THE REMODEL THAT'S RIGHT FOR YOU

We offer three tailored bathroom remodel options, each designed to deliver a fast, high-quality result with the style and service Big Woods is known for. Every package includes construction, expert project management, and design support from our in-house team. The difference lies in how much flexibility you want in your selections and finishes.

Select Package

Curated, efficient, and cost-conscious

Perfect for those who want a beautiful, updated bathroom without overthinking every detail. Our team has pre-selected a streamlined palette of stylish, high-quality materials for a fast and worry-free experience. This package includes a full bathroom remodel and a shower insert or tub with acrylic surround.

Signature Package

Upgraded finishes with added polish

Our most popular option. The Signature Package includes elevated selections curated by our design team, featuring a premium Onyx shower or tub and shower surround surround for a clean, modern look. It's the perfect balance of style, quality, and efficiency.

Custom Package

Fully custom, design-led, and one-of-a-kind

Looking for something unique? The Custom Bath is our full-service design/build offering with no pre-set selections. You'll work one-on-one with our interior designer to bring your vision to life, from fixtures to finishes. This tier is perfect for those wanting complete flexibility and a truly personalized space.
